

## AUTHORIZING THE PRINTING OF THE BANKRUPTCY LAW.

---

JUNE 23, 1910.—Ordered to be printed.

---

MR. FINLEY, from the Committee on Printing, submitted the  
following

### REPORT.

[To accompany H. C. Res. No. 51.]

The Committee on Printing, to whom was referred House concurrent resolution No. 51, report the same back with the following amendments, to wit:

Line 9, page 1, strike out the word "twenty-third."

And at the end of the resolution, add: "to be distributed through the folding room."

As so amended the committee recommend that the same do pass.

The purpose of this resolution is to cause to be printed in convenient form the bankruptcy law as amended by the act just passed by Congress.

As this law is of vital importance to the country at large, the expense of printing a compilation of it and the bankruptcy rules, similar to the one printed at the time the amendment of 1903 was adopted, seems to the committee to be justified. The estimate of the cost of printing is \$1,775.
